

INVACARE ACTION 2

The Next Generation has arrived!

The all-new **Action²_{NG}** has been developed from the tried-and-tested **Action³** concept. The specifications meet the basic needs of the users whilst refusing to compromise on safety or comfort. The next generation **Action²_{NG}** shares the same essential platform as the **Action³**, offering a low total weight for easy handling combined with good driving abilities. Due to the shared use of common components, the **Action²_{NG}** perfectly fits into the Action family.

Features

Swing in and out footrest
The 80 degree footrest swings in and out for easy transfers in or out of the chair.

Adjustable center of gravity
The newly-designed rear wheel plate can be adjusted by 5 cm.

Anti-tippers
Provide extra safety on slopes or uneven ground.
